SUMMARY OF THE REASONS FOR DECISION:

The CD-ROM cassette case is classified as:
Unrestricted.

The CD-ROM cassette case advertises the associated CD-ROM *La Traviata*. It contains text that indicates that the CD-ROM contains explicit depictions of sexual activity. However, while it indicates that there is a range of sexual activity depicted, it does not contain any express or detailed descriptions of this activity. It is therefore considered that the CD-ROM cassette case does not depict or deal with matters of sex in such a manner that the availability of the publication is likely to be injurious to the public good.
